EDINBURGH NAPIER UNIVERSITY

Chancellor, Edinburgh Napier University

David Eustace

BA, Honorary Doctor of Arts

Principal and Vice-Chancellor, Edinburgh Napier University

Professor Andrea M Nolan OBE

MVB FRCVS DVA PhD DiplECVA DipECVPT FRSE

Edinburgh Napier University delivers the skills and experience that matter. We combine professional know-how with an academic approach and work-related learning to help our students succeed beyond university. Meanwhile, our research shapes the world around us, improving lives in Scotland and across the globe.

Named after mathematician John Napier, the inventor of logarithms in the 1500s, we have proudly gone from Napier Technical College to Edinburgh Napier University. Offering more than 250 undergraduate and postgraduate courses, we now have over 19,500 students from more than 150 countries studying on campus in Edinburgh, online and at partner universities worldwide.

The University is proud that more than 95 per cent of our students are in work or further education within six months of graduation*, while the most recent UK-wide Research Excellence Framework reported that more than half of Edinburgh Napier's research is world-leading or of international excellence.

1964 - Napier Technical College opens (Merchiston).

1966 - Renamed Napier College of Science & Technology.

1968 - Edinburgh College of Commerce opens (Sighthill).

1974 - Edinburgh College of Commerce and Napier merges to become Napier College of Commerce & Technology.

1986 - Renamed Napier Polytechnic, the first institution in Scotland to gain full accreditation from the Council for National Academic Awards. Purchase of Craiglockhart campus.

1987 - Craiglockhart campus opened by then Prime Minister, Margaret Thatcher.

1992 - The institution officially becomes Napier University. At a ceremony witnessed by over 700 staff and students, Lord James Douglas Hamilton and the then Principal, Professor William Turmeau, unveiled the new University sign at Merchiston. The Lord Lieutenant of Edinburgh, the Rt Hon Norman Irons, formally inaugurated the University and its first Chancellor, Lord Younger of Prestwick, was installed.

1996 - A new Faculty of Health Studies is set up as a result of a merger of Lothian College of Health Studies and the Scottish Borders College of Nursing with Napier.

2001 - The award-winning Jack Kilby Computing Centre, a purpose-built 500-seat computer facility with 24-hour access, opens at Merchiston.

- 2003 – Prof Joan K Stringer joins the University as Principal and Vice-Chancellor – the first female Principal to be appointed in Scotland at that time.
- 2004 – Completion of the £30m upgrade of Craiglockhart campus. The new campus includes 200 and 400-seat lecture theatres, digital language labs and a cyber cafe.
- 2007 – Tim Waterstone inaugurated as Chancellor.
- 2009 – Napier becomes **Edinburgh Napier University**, changing its name to better reflect its location in Scotland’s capital and to strengthen its appeal worldwide. The Queen’s Anniversary Prize 2009 is awarded to the University’s Building Performance Centre for its innovative work on the reduction of noise transmission in new homes. The prize is the most distinguished award that can be made to a UK institution for higher or further education.
- 2011 – The new state-of-the-art campus is completed at Sighthill to house the Faculty of Health, Life & Social Sciences and the University’s Professional Services.
- 2013 – Professor Dame Joan K Stringer DBE retires and Professor Andrea M Nolan OBE joins the University as Principal and Vice-Chancellor.
- 2014 – Edinburgh Napier University celebrates 50 years of learning.
- 2015 – Acclaimed international photographer and Edinburgh Napier alumnus Dr David Eustace becomes the University’s third Chancellor. Meanwhile the School of Engineering & the Built Environment is again awarded the Queen’s Anniversary Prize, this time for its work in timber engineering, sustainable construction and wood science.
- 2016 – Sighthill campus becomes home to The Scottish Rugby Academy (Edinburgh).
- 2017 – The University marks the 400th anniversary of John Napier’s passing with a memorial service, public lecture and an exhibition charting the life and legacy of the influential mathematician.
- 2019 – The University achieves four stars overall in the prestigious QS Stars University Ratings, scoring a maximum five stars in three categories: teaching, employability and internationalisation.
- 2020 – The University is ranked the Times and Sunday Times top modern university in Scotland and the number one university in Edinburgh for student satisfaction in the National Student Survey.

EDINBURGH NAPIER UNIVERSITY REGALIA

UNIVERSITY TARTAN

The Edinburgh Napier tartan was specially designed for the University by Kinloch Anderson, tailors and kiltmakers by Royal Appointment. The authenticity of the Edinburgh Napier tartan comes from the Clan Napier tartan upon which it is based. The sett has been adapted to reflect the features of the University's Coat of Arms - with red predominant against a white background. The Edinburgh Napier tartan is registered with the Scottish Register of Tartans.

COAT OF ARMS

The Coat of Arms of Edinburgh Napier University was designed by the Court of the Lord Lyon. The shield is split into three sections, each of which reflects a different part of our heritage, including our association with John Napier and the City of Edinburgh.

The first section, a triple towered castle, is in allusion to our location in the City of Edinburgh.

The second section contains three crescent moons and celebrates our connections to Napier of Merchiston.

The third section displays a red saltire scalloped between four red roses, in allusion to the later Arms of Napier.

THE UNIVERSITY MOTTO "NISI SAPIENTIA FRUSTRA" "Without wisdom, all is in vain"

We have nurtured more than 32,000 bachelor degree graduates, including over 10,000 graduates through successful partnership with Edinburgh Napier University. The majority of them are now making significant contributions to various sectors of society.

This year, the School continues to offer a range of undergraduate and postgraduate programmes leading to non-local awards in various disciplines. The nine 3-year non-local degree programmes and eighteen non-local top-up degree programmes offered by CityU SCOPE, including BA (Hons) Accounting, BA (Hons) Accounting and Finance, BA (Hons) International Hospitality and Service Management, BA (Hons) International Tourism and Airline Management and BA (Hons) Marketing Management, have been successfully accredited by the Hong Kong Council for Accreditation of Academic and Vocational Qualifications (HKCAAVQ). The accredited status has not only assured the quality of these programmes but also the eligibility of our full-time students to apply for government grants and loans and to participate in relevant government internship and scholarship schemes. The academic qualifications of these programmes are also recognized by the Government of the HKSAR for civil service appointment.

We pride ourselves on the diversity of our programmes and the good standard of our graduates. With the concerted efforts of the dedicated and experienced teaching team of CityU SCOPE, together with our overseas partners, we will continue to provide you with an engaging and rewarding learning experience.
